COYOTE VALLEY AGROECOLOGY COALITION

Together We Rise

The **Coyote Valley AgroEcology Coalition** nurtures a future where thriving ecosystems, strong communities, and equitable food systems grow in harmony. We honor the wisdom of the past to cultivate shared resilience and prosperity for generations to come through collective stewardship, reciprocal education, and regenerative practice

As we tend to the land, we tend to each other, weaving a future of reciprocity, abundance, and belonging. We invite you to join us in this sacred work: to restore, to regenerate, and to remember our shared responsibility to all living beings.
